i read through the update page and there is no infested world boss in sight are rogue necramechs the only boss mobs in cambion drift or am i missing something here

if during the cambion drift bounty reclaim what s ours you kill the boss that does does show up the game will soft lock and not progress bounty progress claiming there is still something

boss fight for vome and fass concept idea suggestion we should able to fight the vome and fass snake dudes on deimos by now i wonder why those boss fights havent been introduced

so far i really haven t been enjoying the new open world a big part of that is because i don t know if there is anything to aspire to mainly difficult world bosses to conquer does anyone

did anyone find the cenote pit monster puzzle it was added in the new update and seems to spawn a boss that drops the necramech mod from oprhix venom

hi all so i started finally grinding necraloid and due to this i have a question is there some place where you can start a tier 3 iso vault from with the open world so that i dont have to go

if you catch my drift you know it the sergeant is the strongest of all the bosses join and rise up the cult of the sergeant spoiler i m bored so just play along cough

i d like to start grinding for lavos and a necramech but i ve always felt a little underpowered when taking on cambion drift bounties on my own i usually like to do open world bounties solo at

when you get to the cunning drift room the pads on the floor are not what activates the boss instead on the left and right side there are shootable pads looking down
